The Race Committee will publish the relevant Calendar , advertising well in advance which races will be eligible for the Championship in every single month.

2. Race Ranking system

Each race will be scored as per ISAF Racing Rules of Sailing 2013/2016 Appendix A. (Low point system)

5. General rules

SOL' s general rules as indicated in the SOL manual do apply to each Championship race , as to any race in SOL .

6. Specific rules

As an exception to the general SOL rules , should a Team decide to participate in this Championship , they will use the Team boat for the entire duration of the Championship , and NOT their individual boats in any of the single races (entering the tournament with one boat)

7. Race Committee

The Race Committee , in association with Ops Control may decide to apply a time limit for each race . This will any way leave ample time for every boat to finish on the course after the leading boats have finished the race.

The Race Committee will be fully responsible for enforcing Rule 69.1 of the ISAF Racing Rules of Sailing , and their judgment will be without appeal .

8. Prizes

All entrant boats (SYC members and non SYC members) will be eligible for prizes associated with individual races.
