2. Race Ranking system

With reference to point 2) of the General NOR of the FOUR YEARLY Championship , the following provisions for ranking the SUPER-SOLER CHAMPIONSHIP series are adopted:

In each Championship race accruing to the Super-Soler Championship SYC members will be scored as per ISAF Racing Rules of Sailing 2013/2016 Appendix A. (Low point system).

Non SYC members will be ranked as per “Position” but their points towards the series ranking will be attributed as DNC. Should they become members at later date , the race result(s) where they were granted points as DNC will accrue to the series ranking as DNC.

3. Series ranking system

The best 50 results out of 56 for each boat will form the Series score for that boat. In case of ties comma A8 of ISAF Racing Rules of Sailing Appendix A will be used to break the tie.

4. Racing rules

Obviously some of ISAF Racing Rules of Sailing do not apply in SOL due to technical reasons. All the remaining rules will apply.

SOL’ s general rules as published by SRC apply to each Championship race, as to any race in SOL.

5. Race Committee

When applicable, the Race Committee, in association with SOAR/OPS may decide to apply a time limit for each race. This will aim to leave ample time for

every boat to finish on the course after the leading boats have finished the race.

The Race Committee will be fully responsible for enforcing Rule 69.1 of the ISAF Racing Rules of Sailing , and their judgment will be without appeal.

Prizes for the Super-Soler Championship series will be reserved to those entrants who completed at least one of the series races as SYC members.
