Rankings by Nation Quarterly update from SRC 2021 - FINAL

At the end of the full year 2021, or 105 races in all, we can say that the fight for podium places and therefore for medals has not been as fierce as in previous years, due to large superiority of Poland (Individual) and USA (Team), but some big battle had its thrill for SILVER medal in Individual, with a tie that has been broken only by the number of second places recorded by each Nation during the year.

The fight for top spots in the **Individual** Rankings by Nation has seen a "Total domination" by Poland. WRmirekd took almost everything he tried to grab!!

The real thriller was for SILVER, where Italy and USA ended up in a tie and Italy took SILVER thanks to second places number as we said.

As to **Team** rankings the thriller has been in the middle of the year, when Italy closed the gap with the USA. During the second part though the USA have dominated.

In Detail:

INDIVIDUAL:

Poland has taken the GOLD medal in Rankings by Nation (Individual) with 25 victories, more than double of **Italy** who takes SILVER with 12. Third and BRONZE spot for **USA** with 12 as well, but with less second places than Italy during the year..

WRmirekd has been by far the protagonist **Polish** skipper for individual points , as well as **Sax747** has been the one amongst **Italian** skippers and **FreyjaUSA** the one amongst **US** skippers.
